BABYSITTING BASICS

This course, presented by a Red Cross professional from the American Red Cross of Northeast Massachusetts, prepares young adults (ages 11-15) for the responsibilities associated with the supervision and care of children. Upon completion of the course participants receive a certificate signifying that they are Red Cross certified and:

- ◆ have been trained in elementary first aid
- ◆ are capable of providing basic care routines
- ◆ understand how to respond to emergencies
- ◆ can choose fun, age appropriate activities for the kids in their charge

The Course costs \$60.00 per student, and includes the American Red Cross Babysitter's Handbook plus a safety and first aid kit.
