# THE DUCKLING FRIENDS

---

By Lauren \_\_\_\_\_ Grade 2

Once upon a time long ago there lived a family of eight ducklings. Their names were Eric, Emily, Sophia, Ryan, Charlie, Annabelle, and of course Mom and Dad too.

They were floating in the lake, and there was not much breeze because the water looked like glass. It was so pretty! They were walking out of the water. They were going to see the amazing flower bush. It was pink, purple, and white. It was so beautiful! They had other friends they wanted to show it to. The six kids and the Mom and Dad went back in the lake. They were chatting about the bush all day because it was so pretty. Now they went to their friend's house to tell them about it. Their friend's names were Elizabeth and Jason. Elizabeth and Jason were excited about it too. They wanted to go see it. Their Mom and Dad chatted with their friend's Mom and Dad – chatted all day long.

The eight kids and the Dad went on an adventure. They had so much fun. They went to the water park called Great Wolf Lodge. They saw a pretend octopus and a pretend fish there. They stayed there for five hours. Charlie, Annabelle, and Eric went back to Mom. On the way back they saw the pretty flower bush. They observed it for quite a long time. They saw the green flowers on it that was not there before. Maybe some animal has come and put some green on the flowers. They had fun. The ducks climbed all over to observe it more. They had heard something from the bush. They thought it was a bunny. It was! When the ducks climbed all over it they turned a little bit green too. They saw Mom and the two other parents talking about the six children. The Mom said, "How was your adventure? Was it good?" "It was fine, Mommy, but we turned a little green. I'm sorry Mommy. ☹️ I'm really sorry." "It's okay. I think we can wash it off!" "Thanks, Mom. You're the best! I love you! Let's go!" They approached the lake. When they got there Daddy Duckling was waiting there and the rest of the crew too. I think it is time to take a bath now before it gets too late. Then let's go! Let's go take a bath! I'm ready! I know I am! Are you? Yes. C'mon Daddy! Daddy Duckling took them out of the lake to dry them off one by one after taking a cold bath in the lake, followed by Mother Duckling. "Let's go," cried Annabelle. And they went home.
