

THE FIGHT AND THE KNOW IT ALL

By Nicole  Grade 3

The Fight

My sister Brooke thinks she can get away with anything. But I don't think she is so great. She always tries to copy me on purpose to make me mad and I... I just... I just sometimes really hate her. Here is an example of what it is like for my bratty sister to copy me: It is 1:15 and we still haven't had lunch yet.

Our car screeches to a stop as we pull in to the entrance of McDonald's. My mom starts to order. I always try to be first to tell my mom my order. This time, Brooke's twin Lauren goes first and I go second. "I'll have a cheeseburger, chocolate milk and a Reese's mc flurry please", I say. "I think I want chicken- I am going to have a cheeseburger," says Brooke. We start fighting and Brooke says things like "your such an idiot" or "jerk" in an almost whisper voice so I can't hear it but I can. See what I mean?

The Know It All

My sister Nicole thinks she is so clever and can boss me Brooke, around all the time. But I don't agree. She even tries to get me in trouble when she is at fault. When I come into her room at night she tells me to shut up and leave right when I come in. Can you believe it? I bet you wouldn't want a sister like that and I wouldn't blame you for that excuse.
