

The Museum of Science Traveling Program
presents:

SUPER-COLD SCIENCE

Tuesday, April 21 at 3:30 PM

Museum educators visit the library! Watch a demonstration with liquid nitrogen to explore how dropping an object's temperature can lead to unusual and amazing effects. No registration necessary for this program that is offered at no charge and is designed for students K-12 and their families.

This program was funded by the
Friends of the Hamilton-Wenham
Public Library.
