The Museum of Science Traveling STARLAB presents:

ONE SKY, MANY STORIES Thursday, August 13

Three sessions beginning at 2:30 p.m.

The STARLAB inflatable planetarium visits the library!
Climb inside and explore the night sky, listen to stories
about constellations, and tour the solar system.

There are three sessions for this program designed for students ages 5 - 15. **Please register in the Children's Room.**

The Hamilton-Wenham Public Library gratefully acknowledges *The Museum of Science* and *The Friends of the Hamilton-Wenham Public* Library for sponsoring this special summer program.
