

into Science!

Tuesday, November 28 at 3:30 p.m.

Explore simple science, technology, engineering,
art, and math-based concepts.
Listen to stories and learn through
hands-on discovery.

This month's theme:

Magnification

Let's take a closer look at the world around us! We will have
various tools to try including a Zoomy and handheld
microscopes and lots of items to inspect!

This program is designed for children ages
30 months - Kindergarten.
Pre-registration is requested.
