

The Haunted Rescue

Stomp! Stomp! What is that sound? I thought. Cautiously, I snuck toward the sound. As I peered through the bushes, I saw a big haunted house. "This must be bad bunnies lair", I said quietly. By the way, I am detective Jonah Kreyling and I am here because bad bunny has taken two people hostage. So I need to rescue them. That's why I am here . Right in front of me was a giant troll with massive arms and a very fat belly. I grabbed my newly sharpened wooden sword and ran toward the bulging giant .I stabbed it quite hard .It fell over and I could feel the ground shake .Slowly I took a baby step towards the lair and started running to the front steps . I stopped in my tracks; I saw bad bunny. He held a large carrot and he was sleeping .So I snuck up to the hostages and cut the ropes off . But "stop now!" a loud voice said. I jumped a foot to be exact. Suddenly, a hand grabbed out from an empty closet and took me into the closet. Suddenly, the thing made a terrible sound that sounded like this "bakkie!!!hiss!!!and some other strange noises. I kept squirming around so I could loosen the creature's grip on me . Then suddenly I screamed "aaaaaaaaahhhhhhHHhhhHHhhh!!! and I ran away from the mystical beast. Then I saw the hostages so I ran towards them. I grabbed my knife out of my belt and cut their ropes. I heard a strange noise so i said "GO! I'll come later" then when I saw what I was messing with, I ran along with the hostages .We ran so far that we got lost in some sort of colored floor boards. We all thought it was weird so we kept running until we're out of the house. "YAY!' everyone said but we spoke too soon. We looked behind us and we all saw a werewolf .It was a very hairy one too. It had hair all over and looked like it had taken a bath in the trash. The whole group sprinted across the graveyard to the Stop and Shop plaza. "Finally!" we said together. Out of nowhere, my moms car appeared. The door opened very fast and out popped my mom. She said "Come on kids, I've been looking everywhere for you!". So all of us went into the car and thanked my mom for saving our lives.
