

My Bunny And Me

Once there was a bunny who lived in the jungle, and it was night. The bunny fell asleep, and then someone took the bunny to the pet store. It was morning, and then the little bunny woke up! And then there was a girl named Mae, and she looked around the pet store, and she saw a bunny!! And she took the bunny home, and the bunny saw a wide open space. And she hopped out as fast as she could. And then she got lost, and she did not know where she was! And then Mae found the bunny!!! After that little adventure Mae knew what to name her, Hop hop!! And then Mae came up with a very good idea! She decided that Mae and her bunny were going to have a very good adventure!! And then Mae realized it was Hop hop's birthday tomorrow!!!! And then it was nighttime, and then everyone went to sleep. And then it was morning, and then, it was Hop hop's birthday!!!!!! And then they had a birthday cake! And then Hop hop realized she turned 1!! She had one hundred and two presents, she got lots of fun things. And then she opened her last present and there in the box were her four sisters and her mom and dad!!!!!! Hop hop realized that her sisters were one year old too so they were quintuplets!! Hop hop realized that toys and presents didn't matter, what mattered was that she had her family and friends!!!

The end
