### A Book Group for Thoughtful Parents

This six week facilitated discussion group will use Bonnie Harris' book, *Confident Parents, Remarkable Kids* as our guide as we uncover our unique parenting strengths and identify what IS working in the current situation. We will learn connective parenting skills to move past blame and punishment toward respect and responsibility. Parents will learn tools to provide their children with the social/emotional skills they need to be prepared to navigate in a school setting and set them up for a lifetime of success. Raise kids you'll LOVE to live with!

*Dana Allara will lead this group.*

*Dana is a Certified Parent Coach at Personalized Parenting.*
