

WHEN THE TV'S WERE TAKEN AWAY

My name is Ryan and I want to tell you about something that happened one day when I was watching TV. I went to get a snack and when I came back, POOF! the TV was gone. I bet all the TV's were missing 'cause on snap chat I saw pictures of my friends with their jaws dropping.

Today at school everyone was talking nonstop about the disappearing TV's. After school I could not handle not having a TV so I tried to find some of my favorite shows on the computer, but they only have those 2 minute clips. Ugh!

Ryan, are you still worrying about not having a TV? Well, I have had it! yelled my mom.

What am I supposed to do, mom? Read?

That's exactly what you are going to do Ryan, read.

What do you mean I asked?

You are going to the library to read for the whole day, said mom.

Going to the Library is soooooo boring, I said.

Well, my mom did not care. She just kept on driving.

Too late, my mom said. We are already here.

In the library I started reading a book called "Defeat of Wicked Wedgie Man". It was so cool. I better not tell my friends about this because I actually enjoyed reading.

In the book Wicked Wedgie Man gets defeated in all these different ways. It is so cool.

After today, I don't think we need TV when we have books. Let's go to the library again.

THE END
