

Fairy Boat Building

Saturday, July 23

10:30 - 12:00 p.m.

Join us as we share a story, build fairy boats with found items, complete a craft, and join in a fairy procession. Design and keep this magical habitat for your water sprites.

You are welcome to bring your own items. (See back for ideas)
Families of all ages are welcome and no registration is necessary.

So many thanks to the Sheckells family for their vision in creating and leading this endeavor!

Hamilton-Wenham Public Library
978-468-5577 www.hwlibrary.org

Some supplies will be provided, but extra is always desired.
Please remember to share library supplies with everyone.

Bring any of the following with you.

twigs/grasses

leaves

acorns/tops

shells

stones

berries

flowers

pinecones

pine boughs

feathers

seed pods

sea glass

bark

Remember when collecting:
only take items that have fallen to the ground,
not ones that are currently attached to plants or trees.
