

## ◆◆The Disaster□

One day Bort and Jalen were going to the fair. They were in their Dad's truck. They were so excited to finally go to the fair. It was the final day too. When they got there It was a cloudy day. They stood in a long line in took 20 minutes to get to the front. Their Dad paid 15 Dollars for each person. The first ride they went on was Fireball. They had to wait 10 Minutes to get on they choice the middle of the roller coaster. When the ride started it got stuck upside down they called the fireman had to get a ladder and get everyone down. After that they went on the giant slide. When they got up there There was this creepy guy working it. They got in there potato sack and went down as fast as they could but were going super slow they got stuck and had to walk down but there feet got stuck too. They started running as fast as they could hoping to get unstuck. Bort got his feet unstuck and pulled out Jalen's feet out too. They decided to go into the Haunted house. They got some snacks first. Bort got some Fried dough and Coke. Jalen got a caramel apple and Root Beer. Their Dad got some hot apple cider. When they finished They used up most of their tickets. They got in and a guy with a chainsaw came at them the thing was is the guy kept going at them and it was a REAL chainsaw they ran but a clown popped out and it was pennywise they ran past him then a guy in a hockey mask came out it was Jason. The two kids shrieked as loud as they could they got to the end but the creepy characters kept on coming but then took their masks off and it was Bort and Jalen's friends. The two brothers took a huge sigh of relief. The rest of the day was awesome they all went on fireball and other awesome rides.

THE END      or was it.....
