

THE SURPRISE PARTY

Once upon a time, there were two young cats and their names were Moonlight and Sparkle. Moonlight is black with white spots. Sparkle is gray with white microscopic dots and when the sun shines on her body, her fur shimmers and sparkles. Sparkle and Moonlight were on their way to a party. But what they did not know was that the party was a surprise birthday party for them. Their parents arranged to have all of Sparkle and Moonlight's friends meet at a special spot in the forest. Sparkle and Moonlight are twins and they had just turned six a couple days ago.

Moonlight and Sparkle were walking through the forest at dusk, and when they came to the special spot, no one was there. They had arrived on time but they didn't see their friends. The two cats looked at each other. They were confused. Moonlight said, "Did we get the right day?" Sparkle said, "Did we get the right time?" And then they said together "Hello.....is anyone here?" And all of their friends popped out from their hiding places and yelled "SURPRISE!"

Moonlight and Sparkle were definitely surprised. Everybody gathered around an old stump that was perfect for a table and Moonlight and Sparkle's mom and dad brought out kibble pizza and kibble cake. Their friends brought gifts for them and sang the "Happy Birthday" song. And afterwards, Moonlight and Sparkle and all of their friends played tag and cat-hunt. Cat-hunt is a game that is hide-and-go-seek and tag mixed together. And why they played cat-hunt is because Sparkle wanted to play hide-and-go-seek and Moonlight wanted to play tag so they mixed the two together. It was the best birthday party surprise ever!

After everybody went home, Sparkle and Moonlight went home too. They were tired, but they had one more thing to do. And that was to open their presents. They received lots of cat toys, but their favorite toy was a mini-skateboard so they could ride together and play tag. They also got a stuffy to sleep with when they got scared at night. The sisters curled up next to each other and fell asleep and had great great great great great great great kitty cat dreams!
