

Author Katie Coppens Explores Writing & Science!

Thursday, November 5th at 4:00 PM

Hear from local author *Katie Coppens* as she discusses her book series "*The Acadia Files*" during this virtual event.

Find out about her writing process, and get inspiration for **YOUR** next story!

Katie will share a science experiment featuring mechanical weathering, allowing participants to evaluate different rocks using the Mohs scale of mineral hardness.

We will provide *Take & Make* bags with safety goggles, mica, and quartz so that every participant can join *Katie* for the experiment.

- For children ages 7 - 11 years old.
- Online Registration is required [SIGN UP HERE](#)
- We ask that you watch this quick 7-min video of *Katie* reading the chapter that features the activity at the following link:
