

PRINCH is coming!

The week of Monday, August 4*

**Might take the full week but we hope it will be faster.*

A whole new printer/copier setup,
with new equipment and a new way of doing things:

- Use cash OR credit card OR Apple Pay OR GooglePay
- Easier wireless printing
- Ability to port (use a USB directly with the printer/copier)
- Costs to remain the same!
B&W..... 20 cents per page
Color..... 30 cents per page

BUT! Some initial inconvenience.

Our current 2nd floor printer/copier will be unavailable
while we install the new system. This means:

- **No color copying.** B&W copies can be made on the 1st floor copier.
- **No color printing.** Please talk to the Reference Desk about how to print B&W in the meantime.
- **Need to print wirelessly?** Talk to Reference.

We are excited about our new setup and we think you are really going to like the new system once it is implemented. We thank you for your patience as we transition to...
